

One in a Hundred update

As some of you may remember from the last newsletter, I wrote about our **1 in a 100** campaign. The purpose of our **1 in a 100** campaign is to find **100** people happy to sponsor Triple E £5 a month. This will allow the drop-in centre to run as a long term project, continue the football project, and employ a social worker. We are up to £293 coming in per month which is fantastic. Please don't feel under pressure but if you are able to support us monthly, no matter how small the amount, there is a form attached to this newsletter or you could visit our website and set up a monthly billing via paypal. It

would really make a world of difference. Will you be **1 in a 100**?

Thank you very much to everyone who already supports us, we are so grateful and it is because of you, this work is possible.

The team!

I realised after the last newsletter that I have been talking about Triple E doing this and that and these people and that person, but I have never actually introduced you to our team of trustees and field workers both here and in the Philippines. Our chairman of Triple E in the UK is Valerie Pirie. She is a retired adolescent mental health nurse and has also spent some time in Uganda teaching English. Our secretary is David Tomlinson who is a vicar at St John's church in the Shildon parish. The treasurer is Davina Tomlinson who is a foster carer and has been for many years. Trevor Thomson comes from a managerial engineering background. The fifth trustee in the UK is Elaine Dixon who brings with her a wealth of experience from the educational world.

In the Philippines there is Roy Moore. He is originally from Lancashire and is currently doing a masters degree in Politics in the Philippines. He does a lot of the field work in Manila and is a huge asset to the work. Also in the Philippines is Craig Burrows MBE. Craig is the director of the ASCF charity in the Philippines and with over 25 years experience out there working with

charities, he is a fantastic person to have guiding us. Then there's me, Naomi Tomlinson. When in the Philippines I work alongside Roy as a field worker and in the UK I am the raising awareness and funds and person! All of us work as volunteers at present covering our own costs.

There are so many other people involved with the charity that I can't introduce them all but I feel I have introduced the main people for now. Of course I haven't forgotten you. You complete our team although that sounds cheesy it is true, without you, there would be no charity and for that we are all forever grateful, and together we are all changing those lives, thank you so much for everything!

Naomi Tomlinson

More News

◆ We are having a Triple E all weather BBQ on the 21st of May from 3pm onwards, the address is at the bottom, please feel free to pop along it's sure to be a great day!

◆ Naomi goes back to the Philippines on the 3rd of June and so other trustees will be taking over doing talks for the charity. Please do get in touch if you are in a group or church that would like a speaker, we would love to come and share with you about the charity and it's work!
